

Bringing the Festival to Everyone...

Maryland STEM Festival

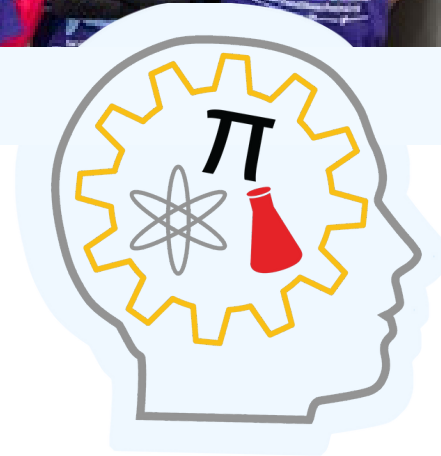

BECOME A SPONSOR!

The Maryland STEM Festival is celebrating its 10th year, bringing fun, exciting STEM experiences to over an estimated **quarter million attendees** from across the state. The Festival consists of hundreds of free and fun STEM related events. Students, parents, and teachers have created lasting memories and enriched their knowledge of STEM through our events across Maryland.

CELEBRATING 10 YEARS!

Join us for this year's festival, from **October 18th - November 17th**

The theme for 2024 will be **Engineering: Ideas to Reality**

FEEDBACK FROM STUDENTS

“ The Morgan State (STEM Expo) was cool because we toured the campus student union building as we visited different exhibits, and we interacted with faculty. ”

Carlos Anderson Mason, 8th Grade, Old Mill Middle School

“ It was really fun to learn about the different STEM careers. It really peaked my interest and is making me consider a STEM career in the future. ”

Naya Edwards, 8th Grade, Cockeysville Middle School
