
Bringing The Festival To Everyone . . .

Maryland STEM Festival

BECOME A SPONSOR!

The Maryland STEM Festival is celebrating its second decade of delivering fun and exciting STEM experiences to families across Maryland. With over a quarter million attendees at past Festivals, the event has become a cornerstone for fostering curiosity and engagement in STEM. Featuring hundreds of free, interactive STEM events, the Festival has helped students, parents, and teachers create lasting memories while expanding their knowledge and passion for Science, Technology, Engineering, and Math throughout the state.

CELEBRATING 11 YEARS OF STEM AND FUN

Join us for this year's festival, from

October 16th - November 15th

The theme for 2026 will be AI

FEEDBACK FROM STUDENTS, PARENTS AND TEACHERS

> "I love that this year there were so many speakers from different professional backgrounds. It was such a great day."
>
> **– T.S., TEACHER, Annapolis Middle School Teacher**

> "I brought 4 girls from Benfield Elementary, including my daughters and their friends. It is a great opportunity to show how important women are in the workforce from science labs, to aviation, to making music and it was a very hands-on exciting opportunity. I hope this becomes an annual event."
>
> **– KQ, Parent, Benfield Elementary**

> "I liked using Play-Doh, foil, and a circuit board to move little characters on the computer screen"
>
> **– From XB, Student, Old Mill South Middle School**

BECOME A SPONSOR

AstraZeneca, Verizon, John Hopkins University and Medicine, Maryland Department of Commerce, Craig Newmark Philanthropies and Whiting Turner were just a few of last year's sponsors. Your sponsorship will enable us to keep our events free to all. A full list of last year's sponsors can be seen **here.**
